

HILLHOUSE ARCHWAY

BODE COMMUNITY UPDATE

SUMMER 2014

As you will be aware BODE has been developing plans for the redevelopment of Hill House and the surrounding area in consultation with the community.

BODE recently submitted their first planning application to reclad Hill House to Islington Council. The recladding of Hill House represents an important first step in the regeneration of the site.

In keeping with local feedback, the plans include high quality and sustainable materials, are light in colour and use a range of glass and brick.

The Council will be consulting before making a decision in the Autumn. During this period you will be able to let the council know what you think. If you have any questions regarding the proposals or would like information please do contact us via consult@hillhouse-archway.com or call 07508 358 236.

BODE is developing plans for the wider redevelopment of Hill House, with further planning applications to be submitted early next year. Ahead of these, we will hold further consultation events and will invite you in due course.

FADS Hub

@hillhousearch

The FADS hub was officially launched in July. Thanks to everyone who attended to paint murals on the walls, sample coffee made by trainee baristas, eat street food and provide your views on the proposal for the recladding of Hill House.

The FADS hub is your community space. Pop in or get in touch if you would like to use it.

FORTHCOMING EVENTS

FADS will be hosting a number of events over the coming months including:

- **The Training Academy**, run by Coffea Arabica, providing skills training for local people
- **Elders Week activities** - Monday 29th September - Friday 3rd October
- **Archway with Words** - Saturday 11th October - Friday 24th October

FADS is located at 2-3 Archway Mall. We hope you will be able pop in to FADS have a cup of coffee, take part in the activities that are taking place and speak to a member of our team.

For more information regarding the FADS hub please contact Tim Sperry on tim.sperry@cube-space.co.uk or call 07970 985 025.
